Please submit a list of your employees who are interested in temporary parking to our Automotive Management Division by **April 23, 1999**. The names should be submitted in priority sequence as it is not known how many assignments your agency will be allotted. Also, include the date the employee first applied for parking. Temporary parking assignments should not change an employee's status on your department's permanent wait list. Please be reminded that only permanent, full-time State employees may apply at this time.

If there are any questions, please call my Automotive Management Division at 586-0343.
